PEARL

- Hometown: Twinleaf Town
- Birthday: June 6
- Age: 12 (as of ch 436)
- Blood Type: B
- Skills: Making jokes for manzai
  Predicting a Pokemon's next move based on its posture
- Awards: New Era Comedy Grand Prix "Daibaku Show" Judges' Special Prize
- Family - Father (Palmer)

Even though he parted with his father, Tower Tycoon Palmer, since he was young, Pearl inherited some of Palmer's personality, especially leadership, which he showed from the start of the journey. Furthermore, Pearl became more powerful after training under Crasher Wake! Pearl mainly uses fast Pokemon to get the first hit and mess with his opponent. He's been the straight man of the comedy duo ever since he met Dia in kindergarten.
